Cirque du Soleil's TOTEM Meet will be taking place at the Portland Expo Center along with a number of popular local events. Due to the popularity of these events, there will be a limited amount of parking available on site. Check the Expo Center website for any updates or new shuttle advisories.

The Expo Center will be operating a satellite parking and shuttle lot 1.6 miles from the facility for a limited number of vehicles. Directions to the alternative shuttle lot are listed below.

We advise you to plan ahead and take the TriMet's Max Yellow Line, a short 30-minute ride from downtown Portland that will stop at the bottom of the Expo parking lot adjacent to *Cirque du Soleil*'s Grand Chapiteau (Big Top). Your patience and support of all of these events is most appreciated.
