What is Horizons for Youth?

Horizons for Youth is a 35-bed emergency shelter for male and female youth aged 16-24. We provide programs, services and workshops to our in-house clients as well as those from outside the shelter. Horizons for Youth's mission is to shelter, prepare and guide at-risk youth to be contributing community members. Horizons for Youth offers a variety of programs and services to support youth in making positive life choices.

Horizons for Youth addresses the needs of youth who are homeless, living in a shelter or are at-risk of becoming homeless. We provide youth with the opportunities to become the best they can be and engage them in positive activities that develop the life skills needed to address the reasons for homelessness and other barriers to productive and positive interaction with the community.
