Deep within a forest, at the summit of a volcano, exists an extraordinary world—a world where something else is possible. A world called *Varekai*™.

From the sky falls a solitary young man, and the story of *Varekai* begins. Parachuted into the shadows of a magical forest, a kaleidoscopic world populated by fantastical creatures, this young man sets off on an adventure both absurd and extraordinary. On this day at the edge of time, in this place of all possibilities, begins an inspired incantation to life rediscovered.

The word *Varekai* means “wherever” in the Romany language of the gypsies, the universal wanderers. This production pays tribute to the nomadic soul, to the spirit and art of the circus tradition, and to the infinite passion of those whose quest takes them along the path that leads to *Varekai*.
