Show Summary

ZAIA is the dream of a young girl who journeys into space on a strange, yet familiar voyage of self-discovery. As she travels, she encounters the beauty of humanity and eventually brings it back with her to share with the inhabitants of earth.

ZAIA presents a young girl's perception of the stars and planets, space and infinity, all populated by a panoply of fantastic, literally out-of-this-world creatures. The title, ZAIA, comes from a Greek name meaning "life" and is also reminiscent of "Gaia," the living, self-aware, spirit of earth.

ZAIA is a show that highlights dance, movement and aerial acrobatics, soaring to the farthest reaches of space and human beauty.
