**KOOZA** tells the story of *The Innocent*, a melancholy loner in search of his place in the world.

**KOOZA™** is a return to the origins of *Cirque du Soleil*®. It combines two circus traditions – acrobatic performance and the art of clowning. The show highlights the physical demands of human performance in all its splendour and fragility, presented in a colourful mélange that emphasizes bold slapstick humour.

The Innocent's journey brings him into contact with a panoply of comic characters such as the King, the Trickster, the Heimloss, the Pickpocket, and the Mad Dog.

Between strength and fragility, laughter and smiles, turmoil and harmony, **KOOZA** explores themes of fear, identity, recognition and power. The show is set in an electrifying and exotic visual world full of surprises, thrills, chills, audacity and total involvement.

Business is all about  
inspired relationships. **TAPIS ROUGE**  
CIRQUE DU SOLEIL.
